

Expert Review of Dermatology

About Expert Review of Dermatology

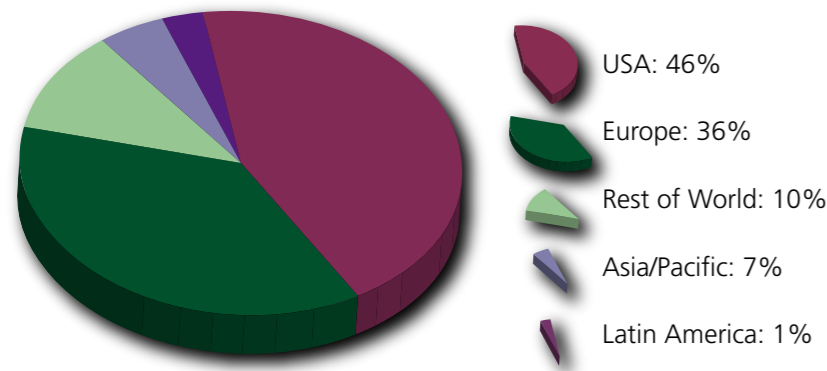

Expert Review of Dermatology provides rapid publication of commentary and analysis on the latest research and clinical advances in all areas of dermatology, highlighting the challenges for the specialty in a new medical era.

Articles focus on the following key areas:

- New understanding of dermatologic disease processes
- New diagnostic techniques and preventive strategies
- Performance and comparison of existing and novel therapeutic indications
- Adverse drug reactions and side-effect profiles
- Ethical considerations for clinical and experimental research
- Management guidelines and future directions
- Strategic and political issues in dermatology
